

Welcome to Café Vincent.

Please note that in order to comply with Welsh government Covid-safe guidelines, we have introduced the following:

TABLE SERVICE

To minimise customer flow around the café, we kindly request that you only leave your table to visit the toilets or when you exit. There is nothing to view at the counter.

CARD PAYMENTS ONLY
(The contactless limit has increased to £45).

ONE-WAY SYSTEM
Please follow our designated exit when leaving.

REDUCED MENU
In order to run the kitchen with social-distancing, we have streamlined our food options. Food and drinks may take longer to prepare and we thank you in advance for your patience.

VACATING TABLE

Due to or reduced capacity, we may, at busy times, need to ask you to vacate your table once you've finished your food and drink. Please do not be offended.

BABIES & YOUNG CHILDREN

We have kept the microwave for warming baby/toddler food. For your safety, please sanitise before use. The play table, toys and books have been temporarily removed.

NHS TEST & TRACE

We will ask for contact details for a lead to your party for compliance with the NHS T&T.

If you have any queries, please don't hesitate to ask your waitress/waiter.
